Package Receiver with Vision Panel Door

- Clear Bullet Resistant Panel on Inner Door for Inspection Before Opening
- Level 1 and Level 3 Protection
- Interlock Security on Doors

Our Package Receivers with Vision Panel have the same design as the SPR1 and SPR3 Stainless Steel Door Package Receivers. They feature a 12" wide x 10" high vision panel in the interior door. This enables the operator to see the contents inside the unit. Level 1 unit is glazed with 1-1/4" acrylic; Level 3 unit is glazed with 1-1/4" Lexgard.

CAT. NO.	DESCRIPTION	PROTECTION	WIDTH*	DEPTH*	HEIGHT*
