

Convex Mirrors

Circular

Useful for parking lots, corners, and most general applications. Will hang almost anywhere.

Rounded Rectangular

Perfect for those settings with strong horizontal or vertical decor, such as above or below moldings.

- Glass or Plexiglas Types Available
- Eliminate Blind Intersections
- Discourage Shoplifting
- Survey Production Lines
- Reduce Accidents
- Add Safety

Whatever the business, accidents and theft pose expensive problems. Trouble spots can be vastly reduced by installing Convex Mirrors. Placed in strategic locations, these Convex Mirrors provide a clear, panoramic view of potential problem areas. Convex Mirrors find many uses in commercial, institutional and industrial applications. Mounted hardware included.

Heavy-Duty Glass Type

- For Indoor Use Only
